Basic White Cardstock Inner	1	14.4cm x 10cm	4" x 5 1/4"

Instructions

1. Cut all the cardstock layers needed that are listed in the measurement guide. Fold and burnish the card base.
2. Emboss the Boho Blue layer using the Metal Plate 3D embossing folder.
3. Cut the circles from the Take To The Sky designer series paper using the Stylish Shapes Dies as listed in the measurement guide.
4. Cut the aeroplane from Smoky Slate and Night of Navy cardstock using the Adventurous Sky Dies.
5. Adhere the circles to the Boho Blue layer using dimensionals. Have some on top and some underneath the neighbouring circle.
6. Glue the plane wings to the body making sure to check where the wings won't touch the body and avoid applying glue in those areas.
7. Adhere the basic white cloud over top of the circles using liquid glue, tape or glue dots. Attach the aeroplane over the cloud and circles using dimensionals.
8. Stamp the sentiment onto the Night of Navy scrap piece using Versamark ink. Apply white embossing powder and tap off any excess before heating. Die cut this using the 3rd largest circle from the Stylish Shapes Dies. Attach to the card using dimensionals.
9. Take the basic white inner piece and ink up the largest cloud stamp with Smoky Slate ink. Stamp once onto scrap paper before stamping onto the inner, this gives a lighter shade of the ink. Then stamp the words You're the Best Plane & Simple using Boho Blue ink over the top. Adhere the inner into the card base.
10. Add some Basic Gray & Smoky Slate Pearls, I used 5 of the Smoky Slate colour.
